- 15:10 – 15:30** **Closing remarks and announcement of winners – *Freddie Hamdy***

Poster viewing

The poster viewing will take place immediately after the meeting from 3.30pm to 5.30pm. We have shared the posters in the files section of the 'NDS Virtual Research Away Day 2021' channel in the NDS team within Microsoft Teams. Double click on the poster you would like to view and the poster will be displayed in the Teams window. Click on 'Conversation' to open the chat panel. Type your question(s) and the author will type their answers live between 3.30pm and 5.30pm. If you have a question after this time, please send an email to the author.
